General Comment

To the EBSA,

I understand you desire to further regulate what I plan to do with my 401K and IRA. This is my money and any influence beyond what is already in place is not necessary and takes away my freedom to do what I want with my own money I have earned. The government can do better at not spending beyond what it takes in and not keep taking money we need to retire on. I urge you not to take further measures that reduce or regulate the money we earn.
